

Calling all Business Leaders in Education

About Us

Association of Business Leaders in Education (ABLE) has been established for over ten years (previously Nottingham Association of School Business Management). Our vision is to inspire, enrich and develop a diverse and professional group of business leaders in education.

ABLE is organised by a committee of volunteer educational professionals and supported by select partner companies as a non-profit organisation, to offer support, training and up to date educational guidance.

Business Managers, Office Managers, Administrators, CFO's, Bursars and any other relevant senior support professionals in primary, secondary, special schools, academies, free schools and Multi Academy Trusts are eligible to become members.

Exciting New Venues:

We have listened to feedback from our members, and are very excited to confirm that all of our conferences for 2020-21 will be held at Eastwood Hall on the following dates:

Autumn Conference: 04 November 2020

Spring Conference: 10 February 2021

Summer Conference: 16 June 2021

Memberships

Becoming an ABLE member represents fantastic value for money. It has the opportunity to save your school or academy a lot of money on training, procurement and staff time - as well as getting exclusive great deals from suppliers. Membership for the full academic year is available for either individual schools or Multi Academy Trusts (MATs).

Membership for individual schools is £60. Multi Academy Trusts can purchase a block number of memberships that can be used for any academy within the Trust. Multi Academy Trusts must purchase a minimum of 5 memberships with 1 membership free for every 11 memberships bought.

Member Benefits

We would like to welcome existing and new members for 2020-21. The benefits of being an ABLE member include:

Free attendance at 3 conferences per year (one each term) - including free lunch and refreshments - where you can network and share experiences on topical issues within educational business management.

Additional business network events - many free - covering hot topics facing our sector. Recent workshops covered General Data Protection Regulation (GDPR), Site Management, Health & Safety, Apprentice Levy and Internal Audit.

High quality guest speakers at events and conferences - previous presenters have included Vic Goddard (Educating Essex), Andy Whittaker (The Art of Being Brilliant), Pam Burrows (People Booster), Steve Head, Go Mad Thinking! Richard Whitehead (Paralympic World Champion) and Tricia Stewart (the original Calendar Girl).

Meeting exhibiting suppliers who offer excellent discounts and free gifts for ABLE members. A one-stop shop to provide best value for your organisation.

Access to a members only website with valuable support and information.

Discounts on services from partner businesses.

A local link to the Institute of School Business Leaders (ISBL), formally the National Association of School Business Management (NASBM).

Join ABLE today
