What people are saying about us ...

CEFM can highly recommend exhibiting at a Notts ASBM conference. We have supported the Association for many years and always find the Committee's preparation and management to be first class. The attendees are always engaged and we leave with genuine leads from interested schools and academies.

Jason Foster, CEFM

"Wow - what an amazing response, we have had since we presented at the conference; thank you"

'Exhibiting at the conference has proved to be very valuable to NG Teach. It was an extremely beneficial, well organised event. Very informative and lovely to meet the business managers face to face. I highly recommend attending the conference and will surely be attending again in the future!'

Managing Director NG Teach**
