

Making An Impact

***“With Great Power Comes
Great Responsibility”***

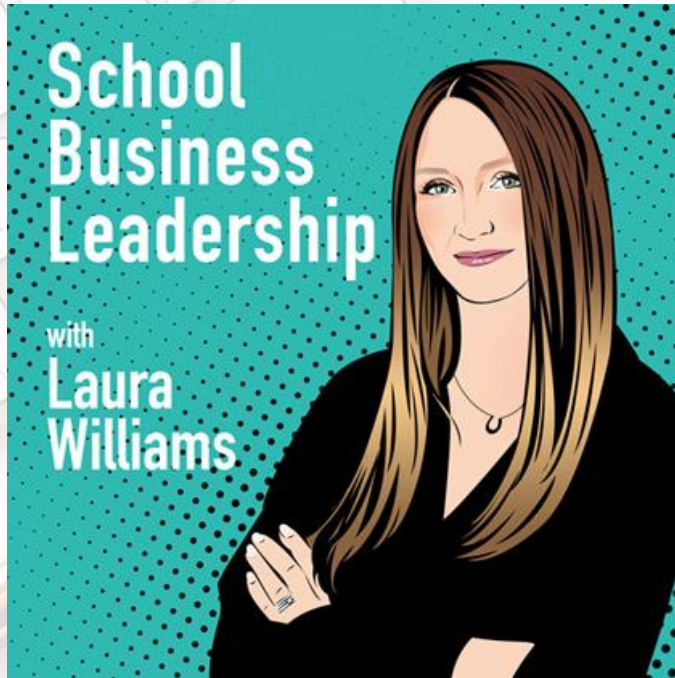

Laura Williams

22nd November 2022

I'd like to remind you that...

- The thing we fear the most hardly ever happens.
- If it's out of your hands then it should be out of your mind.
- The answers you need are inside of you - you just need to create the space you need to hear them
- The expectations we have of ourselves are much higher than anybody else's expectations of us - so let yourself off the hook now and again!
- Waiting until you're ready is not an option. You'll never be ready. So just do it.
- You need to know where to draw the line.
- You should celebrate your wins, do your happy dance and remember you're a superhero!
- Now it's time to give yourself permission to fly.
