A quick shout out to Breedon Electrical

Thank you to Andrew and Ben
who are extremely generous with
ABLE reward points!

Our exhibitors have points today!

All exhibitors have 250 points to share with delegates that engage with them and want to find out more about their services.

That's over 5,000 points up for grabs today.

Quite a lot of exhibitors leave after the lunch break so don't leave it until afternoon to visit them

Work those points!

Evaluation

Complete the conference evaluation by 7th December
